 Kim Wright

The 1974-75 school year has been a productive year for students and staff. We have had full use of our new academic complex, shops, and athletic area for the year. The experience of being the first to use the new building and equipment has been a rewarding and motivating experience.

We have also observed the construction of the physical education complex, student center, and pupil personnel services building. Next year we will have the privilege of using these building, and hopefully observe the construction of the swimming pool and fine arts auditorium complex.

As we say goodbye to our graduating seniors, we wish for them every success as they continue their education, or in whatever endeavors they have decided to undertake. We know their families and their tribes are very proud of them.

Noel D. Scott  
Superintendent

## Table of Contents

Seniors	Page 5	Freshmen	Page 35
Juniors	Page 21	Staff	Page 41
Sophomores	Page 27	Student Activities	Page 47
